

Systems (Signet)

He is the master of information retrieval. A genius at finding out anything that anyone needs to know. All you have to do is call Josh Tower and have the loot in hand and you will discover the answer to any question you may have. Once upon a time he was working for the Defense Intelligence Agency, the deadly arm of the government, but that was before he met Julie and his eyes were forced open. But a tragic accident claimed lovely Julies life and the master hunters soul has once again been darkened. The qu
