

# The One-Way Bridge: A Novel

If you liked Olive Kitteridge, you'll love *The One-Way Bridge*. Lee Smith, author of *The Last Girls* in her highly anticipated new novel, acclaimed literary master Cathie Pelletier returns to Mattagash, Maine, the beloved New England town where it all started. Welcome to Mattagash, the last town in the middle of the northern Maine wilderness. The road dead-ends here, but Mattagash's citizens are fiercely proud. Yet this simple town connected by a single one-way bridge is anything but tranquil. While neighbors bicker publicly over trivialities such as offensive mailbox designs and gossip about suspicious newcomers, they privately struggle to navigate deeper issues: scandals, loss, failed ambitions, the scars of war...and a mysterious dead body in the woods. With her trademark wit and keen eye for detail, Pelletier has assembled an unforgettable cast of endearing and eccentric characters, from scheming mailmen and peeping toms to lovesick waitresses and loggers whose underhandedness belies their ingenuity. The citizens of Mattagash will make you laugh and cheer for them as they stumble into one another's lives and strive to define themselves in a changing world that threatens to leave them behind. *The One-Way Bridge* is an extraordinary portrait of family, loneliness, and community and the kinds of compromises we all make in the name of love. Praise for *The One-Way Bridge*: Cathie Pelletier is one of my favorite novelists, and she's at the top of her game with *The One-Way Bridge*. Wally Lamb, author of *She's Come Undone* *The One-Way Bridge* is the novel Cathie Pelletier fans have long awaited. Her Mattagash, Maine, is one of the most fully realized fictional locales I've ever visited, its geography as vivid and precise as any actual place, its citizens as real and compelling as our own friends and neighbors. Richard Russo, author of *Empire Falls* In her new book, Cathie Pelletier's

brilliantly drawn, true-to-life characters break your heart and make you laugh at the same time, a rare talent indeed. Fannie Flagg, author of *Fried Green Tomatoes at the Whistle Stop Cafe*

Editorial Reviews. From *School Library Journal*. Grade 6-9 In 1903, school lets out for intricate connections, up to the very last chapter, that will make readers return to the beginning of this gripping story and see everything in a new way. I liked her use of the one way bridge and how she wove it into the fabric of the story of many who had to learn to give and take in order to move forward. Some of Yet its clear, in this metaphor, that this is a one-way bridge. The novel, the poem, the essay, the argument-based article, the research paper, - Buy *The One-Way Bridge* book online at best prices in India on Amazon.in.
