

## Dangling on a String

Tina Marsh is a young, intelligent, and attractive woman on the move. She wants it all -- a successful career, a loving husband, and wonderful children. In her picture perfect version of life, Bruce, the guy who loves her, isn't perfect enough. But Johnny, a college man, shows promise. They marry. Unfortunately as the years wear on, their love wears thin. They divorce. Tina continues her search for the perfect love. She finds only heartache as one affair after another falls apart. Then a wiser, mature Tina makes a phone call to an old friend that puts her on the road back to home ... to love.
