

LA Insoportable Levedad Del Ser/the Unbearable Lightness of Being (Spanish Edition)

Esta es una extraordinaria historia de amor, o sea de celos, de sexo, de traiciones, de muerte y tambien de las debilidades y paradojas de la vida cotidiana de dos parejas cuyos destinos se entrelazan irremediabilmente. En efecto, los celos de Teresa por Tomas, el terco amor de este por ella opuesto a su irreflenable deseo de otras mujeres, el idealismo lirico y cursi de Franz, amante de Sabina, y la necesidad de esta, amante tambien de Tomas, de perseguir incansable, una libertad que tan solo la conduce a la insoportable levedad del ser, se convierten de simple anecdota en reflexion sobre problemas filosoficos que, afectan a cada uno directamente, cada dia. This is an extraordinary love story about jealousy, sex, treason, death, and also about weakness and complexity in the everyday life of two couples whose destinies have crossed. The author weaves a fascinating plot of thoughts and actions around his characters with diabolic wisdom.
