Susan Boyer delivers big time with a witty mystery that is fun, radiant, and impossible to put down. I LOVE THIS BOOK! - New York Times Bestselling Author, Darynda Jones Liz Talbot thinks she's seen another ghost when she meets Calista McQueen. She's the spitting image of Marilyn Monroe. Born precisely fifty years after the ill-fated star, Calista's life has eerily mirrored the late starlets-and she fears the looming anniversary of Marilyn's death will also be hers. Before Liz can open a case file, Calista's life coach is executed. Suspicious characters swarm around Calista like mosquitoes on a sultry lowcountry evening: her certifiable mother, a fake aunt, her control-freak psychoanalyst, a private yoga instructor, her peculiar housekeeper, and an obsessed ex-husband. Liz digs in to find a motive for murder, but she's besieged with distractions. Her ex has marriage and babies on his mind. Her too-sexy partner engages in a campaign of repeat seduction. Mamma needs help with Daddy's devotion to bad habits. And a gang of wild hogs is running loose on Stella Maris. With the heat index approaching triple digits, Liz races to uncover a diabolical murder plot in time to save not only Calista's life, but also her own.
