

# The USSR As We Saw It From Armenia to Russia: Many Languages, Much Progress, Sincere Friendliness

The Townsends promoted the work of the Summer Institute of Linguistics and the Wycliffe Bible Translators, for many years. They believe that in addition to primers, grammars and dictionaries, every language group in the world has a right to receive at least part of the Bible, in its own tongue. They are going to secure the help of outstanding Soviet linguists in producing translations of the Scriptures for language groups in the Caucasus, Central Asia, and Siberia. In studying life in the USSR, they were so impressed by the educational system and the attitude of the people, they felt indebted to fellow Americans to pass on the facts. This book is the result.

Like the Soviet Union, Soviet literature was a consciously multinational, multiethnic. It examines how the vision of the First All-Union Congress of Soviet Writers' friendship continues to expand my world. I have kept quotes in the original languages as much as possible. . .
