

# The Wreckage of Agathon

Laid to waste by drink, Agathon, a seer, is a shell of a man. He sits imprisoned with his apprentice, Peeker, for his presumed involvement in a rebellion against the Spartan tyrant Lykourgos. Confined to a cell, the men produce extraordinary writings that illustrate the stories of their lives and give witness to Agathons deterioration and the growth of Peeker from a bashful young apprentice to a self-assured and passionate seer. Captivating and imaginative, *The Wreckage of Agathon* is a tribute to author John Gardner's passion for ancient storytelling and those universal themes that span the course of all human civilization.
