

New Avalon

From USA Today bestselling author Robert Swartwood, a new unforgettable novel that will leave its mark on your heart (Benjamin Percy). In a small Pennsylvania town, one of the most famous women in history -- a woman who the world has believed dead for almost two decades -- is dying. John Chambers walked away from his life eighteen years ago to become the woman's bodyguard. He gave up everything -- including the woman he loved -- because he believed that was his destiny. But destiny has other ideas. In the tradition of *Bright Lights*, *Big City* and *A Prayer for the Dying*, *New Avalon* is Robert Swartwood's finest work yet. Praise for *New Avalon*: *New Avalon* is a suspenseful examination of love, loyalty, and identity that gathers steadily in tension and will leave its mark on your heart. -- Benjamin Percy, author of *The Dead Lands*, *Red Moon* and *The Wilding* Like middle-period Hitchcock, *New Avalon* opens sedately, slowly revealing an off-kilter world based on the most precarious secrets. Using a sneaky second-person, Robert Swartwood has crafted a satisfying revenge tragedy about identity and destiny. -- Stewart O'Nan, author of *The Good Wife* and *West of Sunset* A fine slow burn thriller. -- Jack Ketchum, author of *The Lost* and *The Girl Next Door*
